|---|---|
| <input type="checkbox"/> Education | <input type="checkbox"/> Hawkwatch (spring and summer, planning and data maintenance) |
| <input type="checkbox"/> Bird of Prey Days/Special Events | |

Do you have any prior knowledge or hands on experience of raptors?
If so, please explain.

How did you find out about Braddock Bay Raptor Research?

Why do you want to be a BBRR volunteer?

As a BBRR volunteer, you will be representing dedicated group of people who are interested in taking an active role in raptor conservation. It is a unique opportunity to help increase our community’s awareness of the special treasures that Braddock Bay possesses, and possibly work closely with some of nature’s most impressive creatures. Please sign your name below to indicate that you intend to represent Braddock Bay Raptor Research proudly and respectfully throughout the duration of your volunteer career.
