APRIL 28-30 BIRD OF PREY DAYS 2023 Migration Marvels!

Braddock Bay is home to one of the most spectacular raptor migrations in the country! Join Braddock Bay Raptor Research in this annual event to learn about hawks, eagles, falcons, owls and others, and support our conservation efforts.

Enjoy the display of raptor artwork from Honeoye Falls-Lima students, and find informative booths by local businesses and conservation organizations:

- The Birdhouse (birding/binoculars)
- Genesee Valley Audubon Society
- Rochester Birding Association
- A Frog House
- Books by Randi & Nic Minetor
- Wolcottsville Wildlife Rescue (Sun only)
- Braddock Bay Bird Observatory

Check out our online auction at brr.org for some great prizes! All proceeds support the research and education work of Braddock Bay Raptor Research
