

Long-eared Owl by Jim Adams and Cooper's Hawk by Jill Hemrich

APRIL 26-28 BIRD OF PREY DAYS 2024 INTO THE WOODS: RAPTORS OF THE FOREST

Braddock Bay is home to one of the most spectacular raptor migrations in the country! Join Braddock Bay Raptor Research at our annual event to learn about hawks, eagles, falcons, owls and others, and support our conservation efforts.

Enjoy the display of raptor artwork from **Honeoye Falls-Lima students**, and find informative booths by local businesses and conservation organizations:

- The Birdhouse (birding/binoculars)
- Genesee Valley Audubon Society
- Rochester Birding Association
- Braddock Bay Bird Observatory
- Color Westside Green
- Books by Randi & Nic Minetor
- RockNICKKnacks (Sat. only)

Check out our online auction at bbrr.org for some great prizes! All proceeds support the research and education work of Braddock Bay Raptor Research.

Full Schedule of events at www.bbrr.org

Meet LIVE Hawks, Falcons, Owls & more!

Experience the migration at the Hawkwatch!

Activities for the whole family, both indoors and out!
